

```
1 namespace SwinAdventure
2 {
3     internal class Program
4     {
5         static void Main(string[] args)
6         {
7             Console.WriteLine("Hello, World!");
8         }
9     }
10 }
11
```
